Finding Homeroom Info in PowerSchool Student & Parent Portal
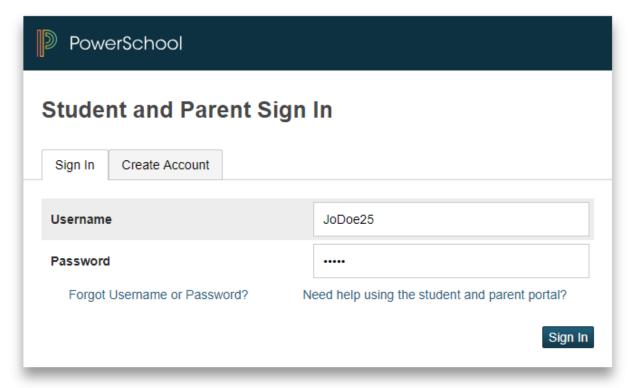

1. Open a web browser and navigate to https://cbrsd.powerschool.com/public

2. If you have a parent account setup, you can logon here. If you don't, your student can logon with their normal district username and password* and will have access to the same information. A letter with instructions regarding parent account setup will be sent home shortly after the start of school.

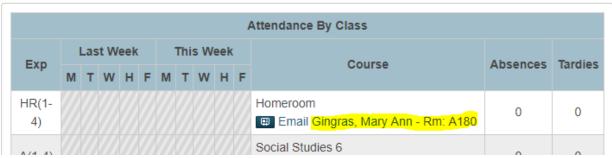

3. On the first screen, you will see a list of enrolled classes. Find "Homeroom" in the list and look for the teacher's name:

*Student usernames are the first two letters of their first name, followed by their last name, followed by their year of graduation. For example, John Smith who graduates in 2025 would have the username JoSmith25. When logging on to PowerSchool, students should **not** include "@cbrsdk12.org" after their username.*
